Build your culture for the future

The world of work has shifted many times in recent years. It's time to hone in on what really moves the needle to cultivate engaged workplaces and build connected cultures.

Workhuman® Live Forum is back, landing in London for its second year to bring all the insights from HR's best conference to Europe. Get ready for a jam packed day full of targeted sessions from thought leaders and guiding lights in HR, and connect with like minded humans shaping the future of work.

“The quality and delivery of relevant and timely insights is unmatched. I knew (and know) that the concepts are backed by real data and will make a difference in the workforce right now.

What else can you expect?

Picture: cutting-edge insights, actionable sessions and invigorating networking. It's a high-impact day you don't want to miss.

Inspiring sessions

Networking opportunities

Celebrating HR

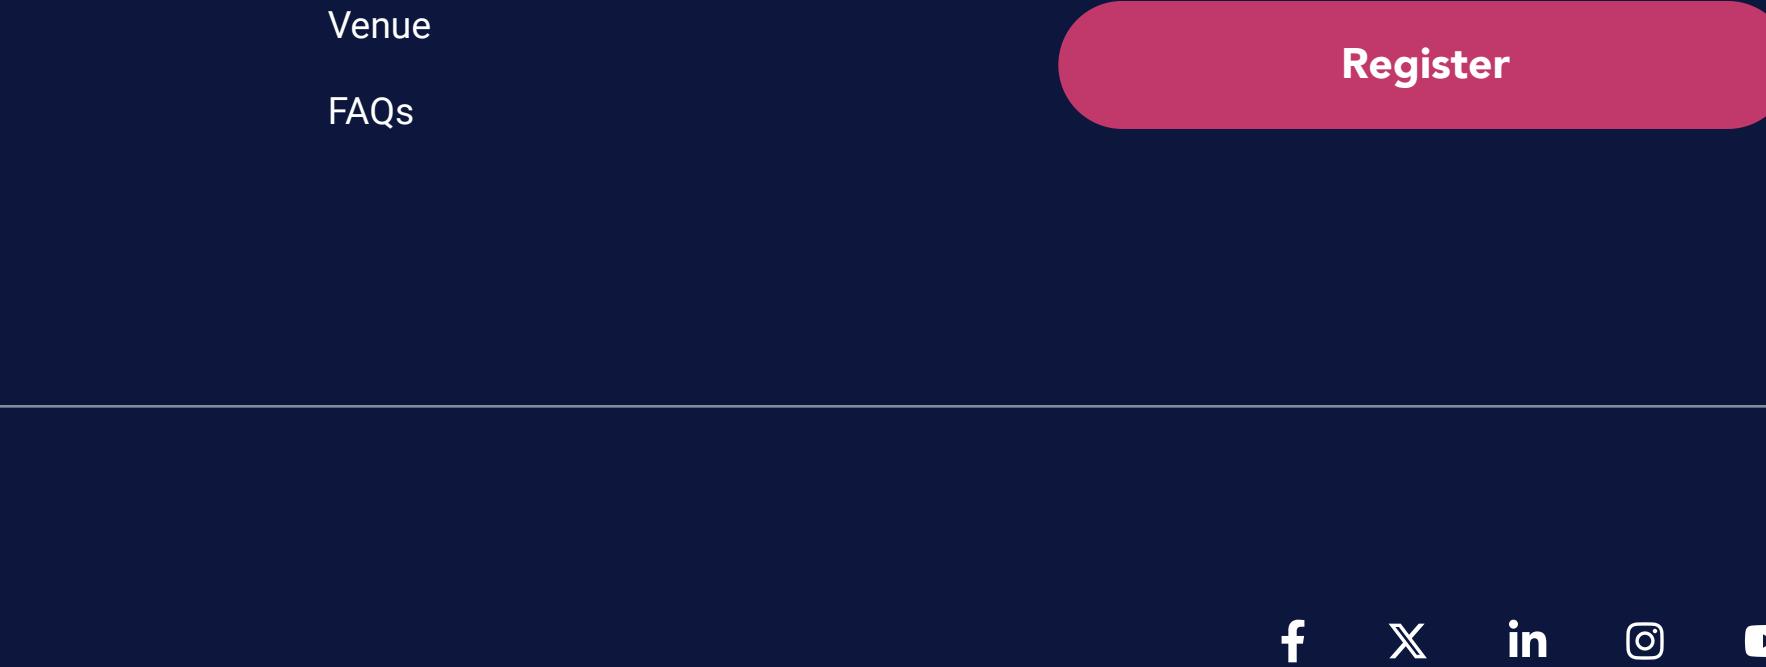

Inspiring sessions

Top thinkers and inspiring thought leaders get to the heart of the matter on what makes the biggest impact on your work culture – and your business goals.

Our Venue

The London Hilton on Park Lane has the perfect central location overlooking Hyde Park.

Several bus lines stop right in front of the hotel at two London Hilton Hotel stops. It's also a quick walk from the Hyde Park Corner tube stop on the Piccadilly Line, or a 10-minute walk from the Marble Arch stop on the Central Line. The hotel is 15 miles from Heathrow airport.

What people are saying

I attended the U.S.-based Workhuman Live event in 2018 and 2019 and it's still the most impressive experiential conference I've been to. I really enjoyed coming down to the London event in 2023 too.

Human Resources Consulting

It was a great mix of insights, learning, interaction (and fun). I really liked that it was experiential and felt very welcomed as an attendee.
